Provider Memorandum

Model of Care Training Attestation 2020 Mandatory Requirement

As part of required CMS mandated annual training, Molina has developed the Model of Care program for dual eligible enrollees. The Model of Care program serves as the foundation for Molina's care management policy, procedures and operational systems for our Medicare/Dual eligible population(s).

What Providers Need to Do—Deadline November 30, 2020

1. Complete training. Please contact your provider network manager regarding training.
2. Complete and sign this form.
3. If it is a group training, one Attestation form should be submitted by the individual with authority to sign on behalf of the group and an attendance roster must be attached.
4. Return this form via email to MHILProviderNetworkManagement@MolinaHealthcare.com. This Attestation will serve as evidence of completion for Molina's Model of Care Provider training.

Care Management program information and Clinical Practice Guidelines can be accessed via Molina's website at Molina's Dual Options page.
