Mandatory Model of Care Training Attestation Deadline Approaching

As part of Centers for Medicare and Medicaid Services (CMS) mandated annual training, Molina has developed the Model of Care program for dual eligible enrollees. The Model of Care program is the foundation for Molina's Care Management policy, procedures, and operational systems for our Medicare/Dual eligible population.

Deadline: November 30, 2020—What You Need to Do:

1. Complete the training. Please contact your Provider Network Manager regarding training.
2. Complete and sign this attestation form.
3. If you have a group of people training, one attestation form should be submitted by the individual with authority to sign on behalf of the group, and an attendance roster **must** be attached.
4. Return this form via email to MHILProviderNetworkManagement@MolinaHealthcare.com.

This signed attestation will serve as evidence of completion of Molina's Model of Care provider training.

Care Management program information and Clinical Practice Guidelines can be accessed via Molina's website at Molina's Dual Options page.
