Molina Provider News:

Provider Online Directory Verification

To comply with its contract requirements, and to ensure customer satisfaction, Molina must confirm the validity of the information contained in its provider directories. Accuracy of this information is important for Molina, as well as its providers and members.

Please visit Molina's Provider Online Directory, located at www.molinahealthcare.com/providersearch to validate the accuracy of the information listed for each of the practitioners in your group. If you identify any discrepancies, please utilize the "***See Something Incorrect? Let us Know***" link on your provider page, and advise what information needs to be updated (i.e.: *Phone Incorrect, Address Incorrect, Specialty Incorrect, and more.*) and our Provider Information team will contact you for more specific information.

Molina Healthcare of Florida requires notification to the health plan for specific circumstances. As it relates to provider demographic information, providers are required to notify Molina with any of the following changes:

- Changes in practice ownership, name, address, phone number, Tax Identification Number or NPI number
- Addition of a new practitioner to the group practice
- Addition of a new service location
- If terminating your affiliation with Molina Healthcare of Florida, in accordance with the provisions of your provider agreement.

To ensure the accuracy of our directories, providers are reminded to notify Molina when these changes occur.

Thank you for your continued care to our members!
