## Fourth Quarter Pharmacy Formulary Change Notice—Illinois Medicaid

Molina Healthcare of Illinois (Molina) has made the following changes to the Medicaid Preferred Drug List (PDL), **effective October 1, 2022**. This is in alignment with the Illinois Department of Healthcare and Family Services (HFS). Updates are located on the [Medicaid Formulary page](#) of the website.

### What Does This Mean For You?

If you prescribe for a Molina member any of the non-preferred products that may be listed below, consider replacing it with a preferred product, if possible, after October 1, 2022. If a change is not possible, you should complete and submit a [Pharmacy Prior Authorization form](#), including documentation explaining why it is not possible to change to the preferred drug.

Date Effective	Product Name	Change
