## Molina Helps Providers Reach More Patients Through Community Outreach

Molina Healthcare of Illinois (Molina) has been working hard to help communities and organizations in need. [Molina's First Quarter 2021 Provider Newsletter](#) highlights several events coordinated through partnerships with valued providers (pages 9 and 10). Now that spring is in full bloom, we want to partner with **you** to host events in **your** community.

### Power of the Press

Top news outlets across the state have picked up on Molina's efforts many times so far this spring. "Being recognized in communities for helping during this time of need is something that we pride ourselves on," said Matt Wolf, Plan President, Molina Healthcare of Illinois. "I could not be happier with the effort that is being shown by our team." These include:

- [COVID vaccinations in Sangamon County.](#)
- [Food Drive in Springfield.](#)
- [Molina Dental Day in Champaign.](#)
- Plus many other community events.

### Address Challenges In Your Community

Molina's initiatives are tailored to address critical issues, such as food scarcity, obstacles to education, and inadequate resources for new mothers. Initiatives include drive-through grocery pickups, educational outreach programs for youth to assist in virtual learning, and drive-through baby showers for pregnant women in underserved communities.

The Molina team will continue striving to reach members and non-members alike by expanding our efforts.

**You** can help in any number of ways, such as:

- Providing the venue or facility.
- Helping to get the word out in your community.
- Sponsoring the event.
- Providing items or services for attendees.

We invite you to partner with the Molina Community Outreach team on our array of drive-through hosted events, COVID-19 vaccination events, community improvement programs, and many others. Please email Tammy Lackland, Manager of Community Engagement, at [Tammy.Lackland@MolinaHealthcare.com](mailto:Tammy.Lackland@MolinaHealthcare.com) to learn more and to make arrangements.
