HFS Guidelines for Billing and Reporting SUPR Services

Molina Healthcare of Illinois (Molina) uses standardized billing codes and claims submission processes established by the Illinois Department of Healthcare and Family Services (HFS). The billing and claims submission codes in this memo should be used for the reimbursement of services rendered by Division of Alcohol and Substance Abuse (DASA) certified providers in the area of Substance Use Prevention and Recovery (SUPR). This is an update to the [provider memo dated November 21, 2018](#).

Services Overview

This table shows the required SUPR services covered by Molina, along with the corresponding American Society of Addiction Medicine (ASAM) level(s) and general billing structure overview:

General Claims Submission Requirements

- SUPR services may only be rendered from a site that is certified by the Department of Human Services Division of Alcohol and Substance Abuse (Provider Type 075). The NPI that providers use to bill Molina **must** correspond to a DASA-certified site.

- Providers of Medication Assisted Treatment (MAT) services must **also** be certified and enrolled with HFS under the Methadone Clinic Subspecialty (Category of Service 106).
- Providers offering both substance abuse and mental health services from the same site may **not** utilize the same NPI number for billing substance abuse and mental health services. Mental health services **must** be billed under a separate NPI number from substance abuse services.
- All outpatient SUPR services **must** be submitted on an 837P claim.
- All inpatient/residential SUPR services **must** be submitted on an 837I claim, in line with the Claim Type listed in the table on page 1.
- As with all other encounter data submissions, the HCP and K3 segments are **required** on all SUPR claims.

Diagnosis Codes

A primary diagnosis code is **required** on all SUPR claims. Acceptable codes are:
