Molina Healthcare Update on Coronavirus

Molina Healthcare of Illinois (Molina) is monitoring developments related to Coronavirus (COVID-19).

Molina's corporate chief medical officer (CMO) has been working with its health plans and the chief medical officers for each plan to ensure that Molina is prepared to assist our members and providers.

Please note that at this time there have been no changes to Molina's prior authorization process. Molina members do not require prior authorization to see their primary care providers. The inpatient prior authorization process remains the same.

Resources

Molina is encouraging its providers to monitor the [Centers for Disease Control and Prevention](https://www.cdc.gov) website for updates on the Coronavirus and additional clinical information. Molina will continue to issue communications related to Coronavirus.
